Nederhof - English

Created on 2006-11-04 by Mark-Jan Nederhof. Last modified 2009-06-08.

Transliteration and translation for "Hymn to the sun", following De Buck (1948), pp. 113-115. This is the version of Suti and Hor (Brit. Mus. 826). Other versions are discussed by Assmann (1971).

The transliteration throughout follows Hannig (1995).

For published translations, see Assmann (1975), number 89 (pp. 209-212, with comments on pp. 555-557); Davies (1994), number 732 (pp. 71-74); Helck (1961), number 732 (pp. 328-331); Lichtheim (1976), pp. 86-89; Wilson (1955).
