

Merneptah stela

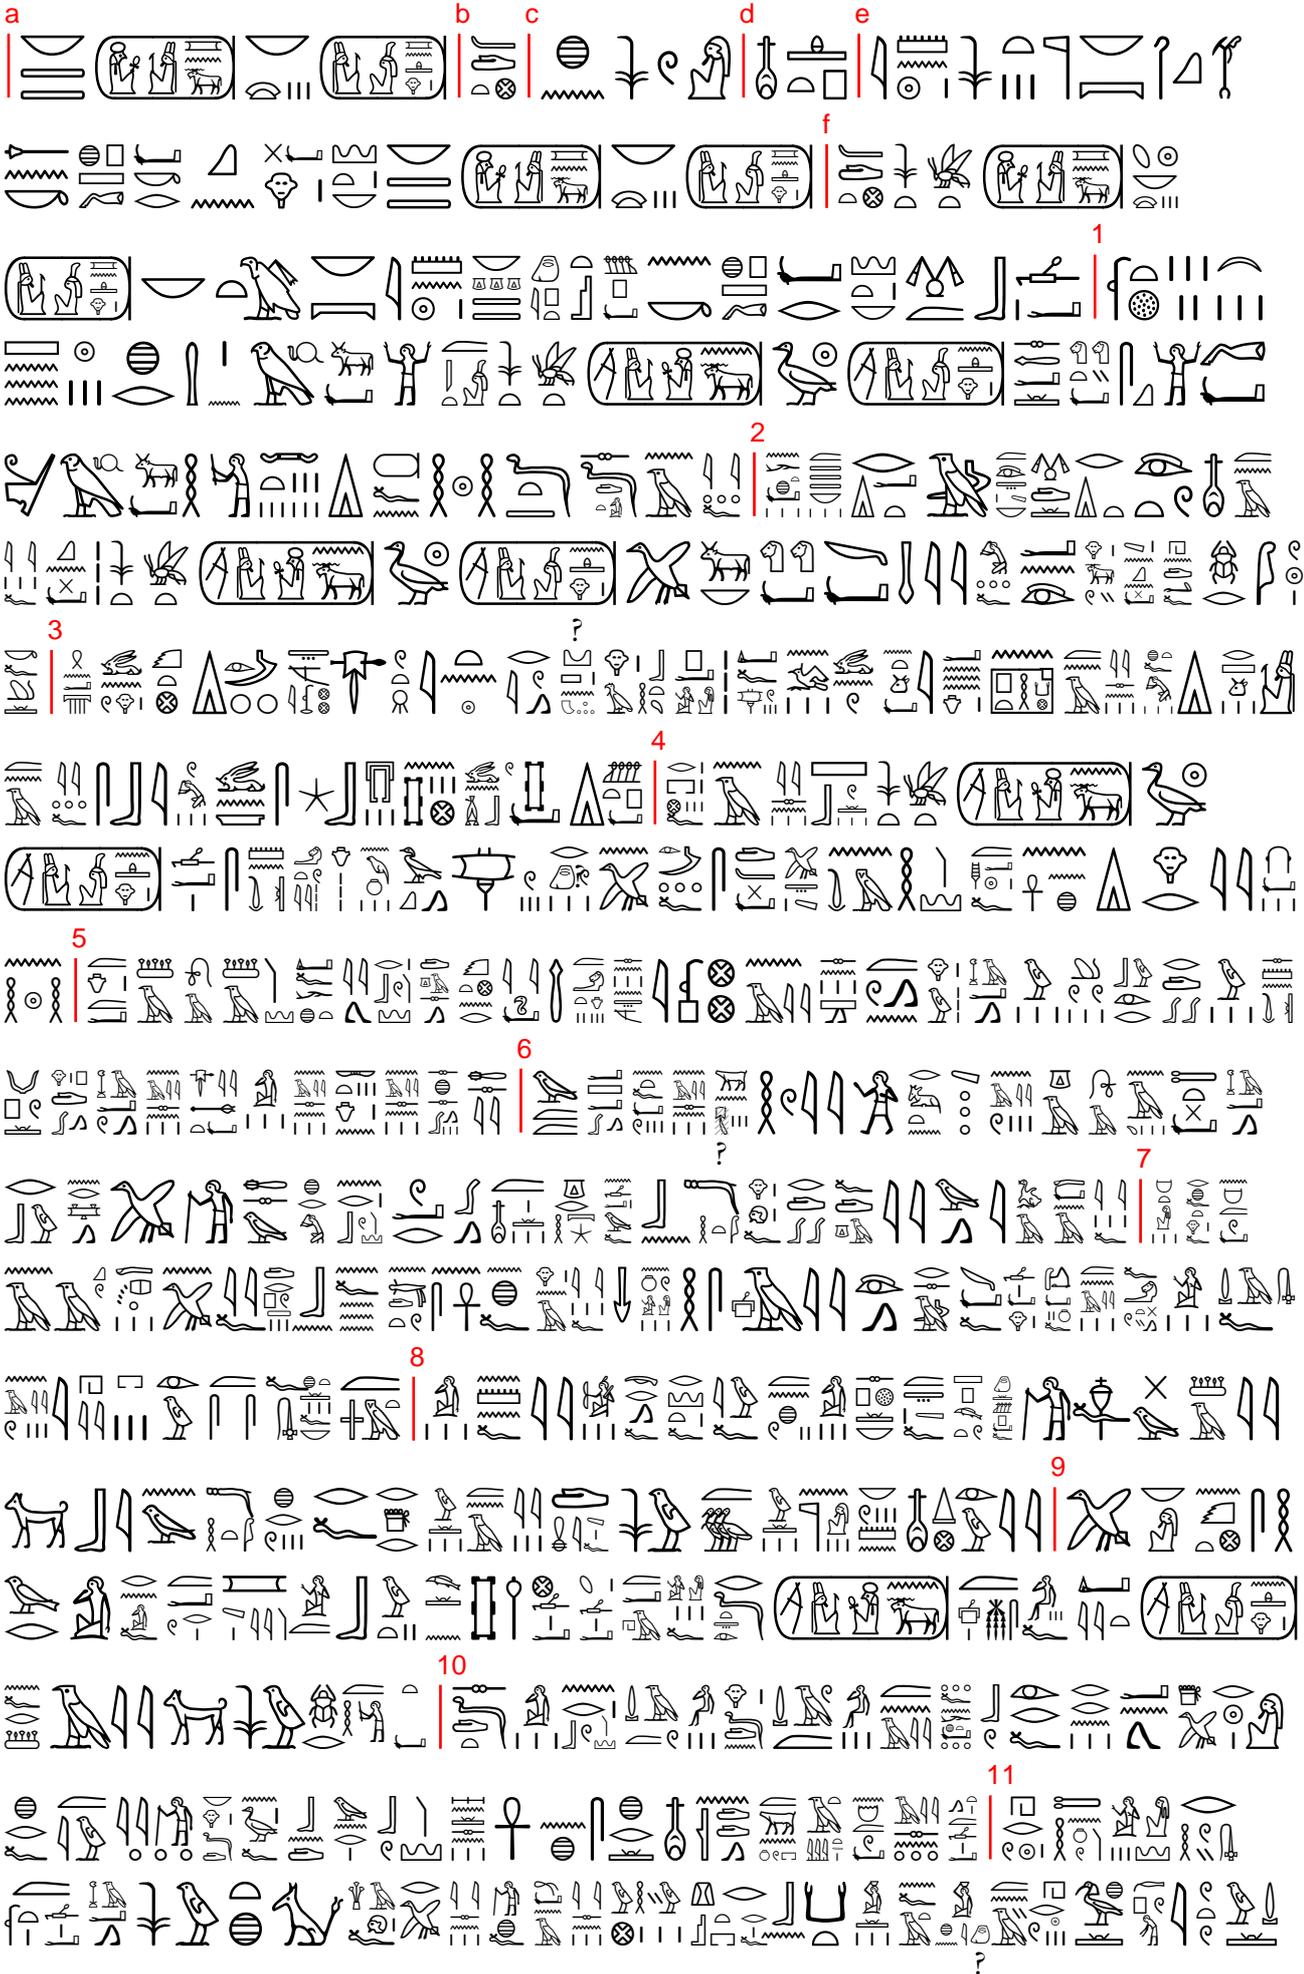

Rosmorduc

Created on 2008-07-30 by Mark-Jan Nederhof. Last modified 2009-06-09.

Stela Cairo CGC 34025, also called the Merneptah stela or Israel stela.

From W. F. Petrie, *Six Temples at Thebes*, 1896, 1897, pl. 13-14.

Adopted from Serge Rosmorduc's MdC version, which is reported to include corrections proposed in KRI p. 41, l. 6-7. Reworked into RES according to Petrie's transcription. Further corrections are needed, and the transcription given here may not be reliable.

12

A line of hieroglyphs starting with a bird, followed by various symbols including a lotus, a seated figure, and a scepter. A red vertical line is positioned after the 11th symbol.

13
